GRANT INITIATIVE GUIDELINES

1. OVERVIEW

Pennsylvania has been experiencing the worst overdose crisis in recent history. There are efforts currently underway to respond to this crisis in a variety of ways: by preventing and responding to opioid overdose, increasing opportunities for evidence-based treatment services for individuals with SUD, and eliminating a variety of barriers faced by individuals seeking treatment and recovery from SUD. DDAP recognizes a vital part of recovery for individuals with SUD is participating in activities which provide purpose and structure to their daily lives.

DDAP desires to enhance the delivery of recovery support services to individuals initiating or maintaining their recovery process. These recovery support services shall be available within the community and provided primarily by individuals who themselves are engaged in the recovery process.

2. FUNDING AVAILABILITY

Applicants can submit a grant application for an amount up to \$700,000 for an 18-month period. Award amounts and number of awards shall be dependent upon number of applications received, meeting the defined criteria of this solicitation, amount of funds being requested, and the amount of available funds to be awarded.

3. PROJECT DATES

Contingent upon the availability of state and federal funds and the receipt of qualified applications, the term of the project will commence on October 1, 2021 and end on March 14, 2023.

4. ELIGIBLE APPLICANTS

All eligible Applicants shall be able to provide direct recovery support services to individuals in recovery from SUD who present for support services. Applicants shall be any entity with the capacity to delivery recovery support services. DDAP-licensed treatment providers who can demonstrate a recovery support service separate from the clinical programming offered under their DDAP license can apply for this GIFA. Applicants who cannot meet this requirement will not be considered.

5. APPLICATION REQUIREMENTS

Applicant shall provide a narrative proposal to include the project description that includes the information delineated below and budget narrative which is a minimum of 5 pages and a maximum of 7 pages (single sided, Times New Roman, font size 12, with narrative pages numbered).

Project Description:

All grant applications shall include, at a minimum, a detailed plan describing the creation or enhancement of recovery support services. In addition, the Applicant shall outline a plan for connecting individuals in recovery from SUD with recovery support services.

- a. The Applicant shall provide a Statement of Need for support services in their geographic area. The Statement of Need shall, at a minimum:
 - Include prevalence rates or incident data of SUD and indicate the lack of current resources for this population;
 - Identify support services available to include the number of staff (volunteer or paid) delivering support services;
 - Hours of operation for support service delivery;
 - Number of individuals being served;
 - Current gaps in recovery support services and any specific remedies; and
 - Plans for substantiating support services and any identified needs.

Applicants may submit other valid data, as appropriate to support this application.

- b. The Applicant shall include the total number of individuals in recovery from SUD to be served for the duration of the project with an anticipated number to be served monthly. Applicant shall include the types and amounts of support services the Applicant will provided on a monthly basis.
- c. Services shall be provided directly by the Applicant. The recovery support services for individuals in recovery from SUD shall include but not be limited to:
 - Outreach and engagement of individuals in recovery from SUD in need of recovery support service;
 - Expansion or initiation of support services provided within a community setting;
 - Recovery Coaching and mentoring through CRSs;
 - Telephonic recovery support services;
 - Provision of Life-skill groups including but not limited to:
 - Education and Employment Support;
 - Budgeting and Household Management; and
 - Parenting.

- Transportation/ride-sharing;
 - Referral to appropriate clinical services through the local SCA/Treatment Provider as appropriate;
 - Coordination with the local SCA or treatment provider for assessment and/or provision of treatment services; and
 - Provision or coordination of sober social events and activities.
- d. The Applicant shall demonstrate the capacity beginning on October 1, 2021 to provide the identified expansion or enhanced support services to individuals in recovery from SUD. All personnel, systems, procedures and resources must be in place to perform or assure delivery of all the services proposed under this grant.
- e. The Applicant shall explain its process and methods for increasing awareness and availability of support services provided by the Applicant.
- f. The Applicant must describe their current engagement with diverse populations including Black, Indigenous, and People of Color (BIPOC), LGBTQ + and persons with disabilities and provide detailed information about how the project will engage and provide access to these diverse populations.
- g. The Applicant shall explain how individuals become engaged in support services, how eligibility for support services is determined, and any eligibility restrictions.
- h. The Applicant shall describe any supportive relationships the RCO has with other community entities.
- i. The Applicant shall operate a program which meets all applicable federal and state confidentiality laws and the Health Information Portability and Accountability Act (HIPAA) requirements and provide a summary how the Applicant will adhere to these laws.
- j. The Applicant shall explain its plan to collaborate with the SCA and local treatment providers to assist qualified individuals in obtaining recovery support services delivered by the RCO.
- k. The application shall include a listing of additional resources and adjunct services currently available in the community which will strengthen the proposed initiative and assist the individuals served.
- l. The Applicant shall explain, in detail, if and how it will continue to support the project implemented in conjunction with this initiative after the awarded grant funds expire. If Applicant has a viable sustainability plan which involves partnership with other entities, the application must include letters of support from those partners indicating their willingness to accept some or all financial responsibility for the continuation of this project post grant funds. The sustainability plan must include:

- How ongoing support for this program will be generated and maintained;
 - How commitments from key stakeholders necessary for successful sustainability of the program will be established; and
 - Identify sources of financial support once grant funding expires.
- m. The Applicant shall provide a detailed description outlining its capacity to measure and report effectiveness of the services provided under this grant. The Applicant must provide an explanation how it will gather data and submit reports required by section 9. If applicable, the Applicant must specify and justify any additional measures or instruments the Applicant plans to utilize.

Budget Narrative:

The budget narrative shall be included in the 7-page maximum. This budget narrative shall provide accurate budget details and clearly explain the relationship between the budgeted costs and the proposed project. The budget narrative shall provide a justification for all the costs and figures submitted in the Budget Template, Appendix C.

Budget Template:

Completion of the Budget Template, Appendix C is required in addition to the 7-page maximum and shall align with the Project Description and Budget Narrative.

6. ELIGIBLE PROGRAM ACTIVITIES AND EXPENSES

All expenses shall be described and justified in the Budget Narrative and correspond to the Budget Template, Appendix C provided. DDAP has approval of all final budgets. Each cost shall be a separate line item and include the itemization/calculation. The following are examples of expenses that directly support this grant initiative funding application:

- a. Personnel Services: This budget category shall identify each position by job title, hourly rate, and number of hours allocated to the project. Fringe benefits are to be shown as a separate line item by percentage and shall include a detailed listing of the benefits being covered.
- b. Consultant Services: This budget category shall identify the services to be provided by each consultant including hourly rate and number of hours to be utilized under this grant. Identify services to be provided. Do not name the consultant(s) that will be retained. An individual who provides professional or services for a fee, but normally not as an employee of the engaging party. The term “consultant” also includes a firm which provides paid professional advice or services.

- c. Subcontract Services: This budget category shall identify the services to be provided by each subcontractor under this grant. Identify services to be provided. Do not name subcontractor to be retained.
- d. Patient Services: This budget category shall reflect funding dedicated for patient services. Transportation costs to connect an individual to treatment within the Commonwealth of Pennsylvania is an allowable expense.
- e. Equipment: This budget category shall reflect the actual or projected cost of any equipment which is \$5,000/unit or greater necessary for the direct execution of the project. Identify equipment, the quantity and unit cost.
- f. Supplies: This budget category shall reflect expected costs for general office supplies. Identify supplies in general terms. Equipment items under \$5,000-unit cost shall be listed here. All personal computers under \$5,000-unit shall be considered as office supplies.
- g. Travel: This budget category shall include anticipated expenditures for travel including mileage, hotels and subsistence for staff personnel. Mileage between sites for staff personnel is an allowable expense.
- h. Other Costs: This budget category shall be used for anticipated expenditures that do not fit into any of the other budget categories such as postage, telephone, printing, outreach, and indirect costs (overhead, general and administrative). Indirect rates cannot exceed the provider’s Federally approved indirect cost rate schedule. There are no caps to the Federal rate. If the provider does not have a Federally approved indirect rate, then they may use the de minimis rate which is 10% of modified total direct costs. In the description area under “Other Costs” include the % that the rate reflects, identify the budget categories to which the rate was applied, and list the specific items that the indirect is paying for within this grant.

Funding shall not be used to supplant/replace federal, state or local funds that would otherwise be available to provide for program-related services. DDAP funding is to be used in addition to other funds that are made available for services.

Awards will be through a grant agreement between the Applicant and DDAP.

The anticipated Grant Agreement term is October 1, 2021 to March 14, 2023. The overall 18-month budget for the application shall not exceed \$700,000 and shall be paid by monthly invoices on a cost reimbursement basis. The budget shall contain an Overall Summary in addition to a Summary with Budget Details for each year.

Overall Summary October 1, 2021 to March 14, 2023	\$700,000
Summary Year 1 October 1, 2021 to June 30, 2022	\$350,000
Summary Year 2 July 1, 2022 to March 14, 2023	\$350,000

7. INELIGIBLE EXPENSES

The following are ineligible expenses through this grant initiative funding application:

- a. Expenses related to the provision of SUD treatment services;
- b. Capital expenditures for purchases and/or improvements to land, building or equipment which materially increase their value or useful life, i.e., “Bricks and Mortar”;
- c. Construction upgrades and remodeling;
- d. Fixed Assets of \$5,000 or above (fixed assets include furniture, equipment, computers, etc. which have a life of more than one year);
- e. Cash payments directly to the intended recipients of the services;
- f. Expenses related to any start-up costs; and
- g. DDAP is not liable for costs incurred prior to the official start date of the award.

8. STANDARDS FOR FINANCIAL MANAGEMENT

All grant award recipients are required to meet the standards and requirements for financial management systems set forth in 45 CFR Part 75. The financial systems shall enable the recipient to maintain records that adequately identify the sources of funds for federally assisted activities and the purposes for which the award was used, including authorizations, obligations, unobligations balances, assets, liabilities, outlays or expenditures, and any program income. The system shall also enable the recipient to compare actual expenditures or outlays with the approved budget for the award.

These funds shall retain their award-specific identity. The funds may not be commingled with state funds or other federal funds. [“Commingling funds” typically means depositing or recording funds in a general account without the ability to identify each specific source of funds for any expenditure.] Nor shall these funds supplant, in any way, current state or federal funds for already existing services.

9. REPORTING REQUIREMENTS

All grant applications shall include a detailed outline of the Applicant’s ability to collect required information and submit reports in a timely manner to the Department. Sample reports (which are not included in the 7-page narrative maximum) shall be included with your grant application to include the following information:
