

Monthly ASAM Technical Assistance Series

DDAP, along with partners from other state agencies and treatment providers across the continuum, is beginning a Monthly ASAM Technical Assistance Series. Each month, DDAP and their partners will present up to date information regarding ASAM alignment and/or will provide training on a specific topic related to ASAM alignment. This is a time limited series running monthly from October 2021 – October 2022 with the purpose of providing resources, training, and information to support providers with ASAM alignment across all levels of care.

When? First Monday of every month from 10am-11am **beginning on Monday October 4th, 2021**. During this first call DDAP and partners will provide an update on several ASAM topics including adolescents, co-occurring, recent and ongoing updates to the ASAM Website, monitoring, and more. Future topics will be posted to the DDAP ASAM Alignment Website. [ASAM Transition \(pa.gov\)](https://www.asamtransition.pa.gov)

Where? This is a Microsoft Teams meeting. If you are interested in attending, and would like the invite please reach out to RA-DAASAM@pa.gov.

Who can attend? Single County Authorities, Managed Care Organizations, Treatment Providers, and anyone else interested in ASAM implementation across the Commonwealth.

What if we cannot attend? All monthly meetings will be recorded and posted to the DDAP website.

Will there be time for attendees to ask questions during the call? All questions should be submitted to RA-DAASAM@pa.gov 7 days prior to the scheduled meeting. Please include in the subject line "TA Meeting Question." All Q & A will be documented in the ASAM FAQ, including questions that DDAP was not able to address during the call. [ASAM Transition \(pa.gov\)](https://www.asamtransition.pa.gov)

Can we suggest topics for trainings? Yes, please submit suggestions to RA-DAASAM@pa.gov.
